

Impact Education Multi Academy Trust

COVID 19 – Academy Risk assessment Post Sept 2021 v1.6

Academy: Castle Hall Academy

Date of Risk Assessment:06/09/2021

Reviewed:24/02/2022

This document should be read alongside the “Operational Guidance” document for more detail of approach.

This risk assessment is compiled in line with Government guidance for the particular challenges of our Academies and reviewed regularly as and when circumstances change. The risk assessment should be reviewed alongside the Trust Guidance for Covid-19 Estate Management and current [Operational Guidance](#) notes.

All staff need to be trained/issued with the risk assessments relevant to their work and this must be recorded.

The risk assessment is demonstrating Impact Education and its academies are reducing and mitigating risk so far as is reasonably practicable following the most up to date Government advice.

If the guidance cannot be achieved after plans have been put in place then The Trust has to consider whether that activity or part of the Academy should be open.

COVID is a biological agent and comes under the COSHH Regulations and Health and Safety at Work Act. If you require any assistance with this process it is recommended you contact your health and safety manager at Impact Education.

**Please note that this risk assessment has been produced in line with the current Government guidance and advice available at the time of production (issued 24/02/2022). The risk assessment will be updated in line with further updates as and when they arise.*

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
General – Risk of infection.	Staff, visitors, Pupils	<p>General Controls and instruction to staff throughout the school: -</p> <ul style="list-style-type: none"> - Bubbles no longer required and mixing permitted. - Increased cleaning regime throughout site, especially touch points. - Hand washing facilities in place with pupils and staff encouraged to use these regularly. - There is no longer a legal requirement for people with coronavirus (COVID-19) infection to self-isolate, however if you have any of the main symptoms of COVID-19 or a positive test result, the public health advice is to stay at home and avoid contact with other people. COVID-19: people with COVID-19 and their contacts - For confirmed positive COVID cases of employees which may be work related to be reported to the schools H&S team. - If it appears there is spread of COVID within the school (from person to person within the setting) the school will be contacted by Public Health. In this instance, <i>Outbreak Management Plans should be actioned</i>, working in partnership with Public Health. This may involve contact tracing at school level. - Non- fire safety doors can be propped open to allow ventilation - Windows to be opened each morning to allow adequate ventilation. Where the weather causes the room to become uncomfortably cold for occupants the windows can be closed to a crack and then reopened once unoccupied. Consider opening higher windows in the event of cold 	<ul style="list-style-type: none"> - Establish a record of cleaning. - Regular cleaning throughout the day. - Reminders of regular hand washing promoted in bathrooms. - Parents informed of the procedures in relation to COVID19. - Promote “catch it, bin it, kill it” approach - Ensure appropriate signage regarding social distancing and hand washing. - If anyone has recently left the country and returned the UK they must follow the advice on the current traffic light travel system. - Support and encourage the vaccine programme take up 	Site Site Site PBK PBK Site Site	Sep 21 Sep 21 Sep 21 & Ongoing Sep 21 Ongoing Sep 21	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
		<p>weather. Rooms with no ventilation should only be used where doors can be propped open and there is air flow from outside of the room.</p> <p>-</p>				
Ventilation	Staff, pupils, visitors	<p>Need to balance the risk of transmission of the virus and a comfortable teaching environment which can be maintained by.</p> <ul style="list-style-type: none"> - Where there is use of mechanical ventilation adjust these to increase the ventilation rate where possible and check normal operation meets current guidance and only fresh air is being circulated. - If possible, systems should be adjusted to full fresh air or operated as normal within a single room and supplemented with outdoor air supply. - For natural ventilation the windows should be opened and in cooler weather should be left open just enough to provide constant background ventilation and opened wider during breaks to purge the air. May be beneficial to open higher-level windows to reduce draughts when the weather is colder. Allow flexibility for staff and pupils to wear additional suitable indoor clothing. - Open non- fire resisting doors to allow for air flow 	Establish areas throughout the school where there is poor ventilation.	Site	Sep 21	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
Classrooms	Staff, Visitors, Pupils	<ul style="list-style-type: none"> - Classrooms to be regularly cleaned and cleaning supplies available in the classroom. - Pupils encouraged to wash their hands regularly - Windows opened to allow ventilation, if temperature is uncomfortable due to open windows these to be closed to a crack while occupied and then reopened while unoccupied. - Desks should be spread out wherever possible to maximise space between individuals. Schools may wish to maintain use of screens etc. between staff and students. 	-			
Corridors	Staff, pupils, visitors	<ul style="list-style-type: none"> - regular cleaning of touch points. 	Masks to be worn by all (except exempt) when transitioning through corridors			
Toilet and cloakrooms	Staff, pupils, visitors	<ul style="list-style-type: none"> - Available hand washing facilities with soap and warm water with encouragement to use these facilities regularly and prior to eating. - Regular cleaning of the toilet area touch points. 	<ul style="list-style-type: none"> - Establish record of cleaning for all toilets. 	Site	Sep 21	
Playground and play equipment	Staff, Pupils, Visitors	<ul style="list-style-type: none"> - Ensure a cleaning regime includes the playground equipment for both outdoor and indoor or take out of use if necessary. - Cleaning should take place more frequently than normal. - Also applies to resources used both inside and outside for wraparound care and out of school settings. 	Cleaning routines for outdoor play equipment to be established			

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
Resources and equipment	Staff, Pupils	Resources shared between classes would be encouraged to undergo frequent cleaning and preferably be either cleaned between each class or allow them to be unused for a period of 48 hours (72 hours for plastics)	Books and other shared resources can be taken home although unnecessary sharing should be avoided and should implement a system of cleaning and rotating these resources.	All Staff	Ongoing	
Therapy equipment and sensory rooms	Staff, pupils, visitors	<ul style="list-style-type: none"> - Establish what equipment can be cleaned and adequately disinfected before being put back into use. - If cleaning not possible in between the users, then must be restricted to one user or left unused for a period of 48 hours (72 hours for plastics) when used by different individuals. 	Establish a record of cleaning.	Site/SEN Co	Ongoing	
Drop off/collection areas with parents	Staff, pupils, visitors, parents	<ul style="list-style-type: none"> - Parents/ carers informed of their pickup/ drop off times and points. - 				
Catering	Staff, pupils, Visitors	<ul style="list-style-type: none"> - Hygiene standards to be maintained 	Staff working in communal areas to wear mask (i.e. tills, midday supervisors)			

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
Reception area	Staff, Pupils, Visitors,	<ul style="list-style-type: none"> - encourage parents to contact the school by other means than face to face. - The design of the reception area may already create a barrier between front facing staff and others. - 				
Area for isolation/first aid and separate toilet	Staff, Pupils,	<ul style="list-style-type: none"> - Identify an appropriate area in which could be used for first aid and maintain cleaning standards and clean after each treatment. 	-			
Clinically vulnerable and Clinically Extremely Vulnerable (CEV)	Staff, pupils, visitors	<ul style="list-style-type: none"> - Following expert clinical advice and the successful rollout of the COVID-19 vaccine programme, people previously considered to be particularly vulnerable, clinically extremely vulnerable (CEV), and high or higher-risk are not being advised to shield again. If staff were previously identified as being in one of these groups, they are advised to continue to follow the guidance below: Guidance for people previously considered clinically extremely vulnerable from COVID-19 - Staff with a weakened immune system should follow: COVID-19: guidance for people whose immune system means they are at higher risk - Employers will need to follow this specific advice: https://www.gov.uk/government/publications/coronavirus-covid-19-advice-for-pregnant-employees/coronavirus-covid-19-advice-for-pregnant-employees This contains further advice on vaccination. Your workplace risk assessment 	<ul style="list-style-type: none"> - Request information from staff and parents to identify those in these categories. - Keep in contact with those who are shielding or working from home. - Encourage and promote the take up of the vaccine programme. 	JAN/JTS JAN/HOY	Sep 21 Ongoing	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
		<p>should already consider any risks to female employees of childbearing age and, in particular, risks to new and expectant mothers. You should also consider the needs of pregnant pupils or students.</p> <ul style="list-style-type: none"> - Employers should be able to explain the measures they have in place to keep staff safe at work. The Health and Safety Executive (HSE) has published guidance: Protect vulnerable workers during the coronavirus (COVID-19) pandemic, including advice for employers and employees on Talking with your workers about preventing coronavirus (COVID-19) Employers should discuss concerns with staff 				
Staff contingency arrangements	Staff, pupils	<ul style="list-style-type: none"> - Would encourage school to promote social distancing and continue where possible with virtual meetings whenever this is optional. This will help to reduce infection rates between staff and build resilience. 	<ul style="list-style-type: none"> - Ensure staff are aware of the reporting procedure to highlight if they have any symptoms. - ensure there is a plan in place to have a suitable and sufficient staff ratio to pupils which may include having cover staff. 	PNE PBK	Sep 21 Ongoing	
Symptomatic staff or pupils	Staff, visitors, pupils	<ul style="list-style-type: none"> - Identify an area in which anyone who is symptomatic can wait for a parent to collect in a well ventilated. - Area in which symptomatic people are awaiting requires to be cleaned after use. - Staff and Children can be eligible for testing. - Those who require close supervision while awaiting collection should remain at a distance if possible and wear appropriate PPE (Type IIR face mask, eye protection, apron, disposable gloves.). 	<ul style="list-style-type: none"> - Normal Return To Work procedures to take place after COVID absence. - Review where in school this would be best located - Establish a clear procedure of how to access testing and when someone should be tested. - Where there are work related positive COVID cases these 	JAN PNE PNE PBK/PHL	Sep 21 Sep 21 Sep 21 Ongoing	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
		<ul style="list-style-type: none"> - Those who become symptomatic should return home and avoid using public transport and where possible collected by guardian. - Preferably should use a separate bathroom which must be cleaned and disinfected using standard cleaning products before used by anyone else. 	<p>may be HSE reportable and guidance from the schools H&S advisors should be sought.</p> <ul style="list-style-type: none"> - In an emergency call 999 if someone is seriously ill or injured or life is at risk. 			
Assembly & gatherings	Staff, Pupils Visitors	<ul style="list-style-type: none"> - As mixing is permitted assemblies and gatherings can go ahead Any large gatherings do increase the risk of spread, and decisions to bring large groups together should be taken in that context. 	<ul style="list-style-type: none"> - Decision about suitability of large gatherings made in conjunction with local and national contexts. - Face coverings to be worn during Mastery sessions - Masks to be worn at all face-to-face events (e.g. Parents Eve) 	NSN	Sep 21	
Transport arrangements	Staff, Pupils, Contractors	<ul style="list-style-type: none"> - The legal requirement to wear a face covering no longer applies. However, the government suggests that you continue to wear a face covering in crowded and enclosed spaces where you may come into contact with people you do not normally meet. We will continue to allow this to be a personal choice for each pupil and adult in the building. - Social distancing where possible also strongly encouraged. - The buses to have windows open to provide ventilation. - Those travelling by bus to have access to wash facilities which use is encouraged 	<ul style="list-style-type: none"> - Establish an agreement with the transport provider of the controls they will have in place to ensure safety. 	JTS	Ongoing	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
Personal Protective Equipment (PPE)	Staff, Pupils	<ul style="list-style-type: none"> - PPE required for personal care only. - PPE should be suitably stocked - PPE signed out when used. - Risk assessment for each child to be conducted to highlight the requirement of PPE; however, a face mask isn't required for personal care from current guidance. 	<ul style="list-style-type: none"> - Inform staff of the requirements for PPE and provide information for their safe usage. - Individual risk assessments to be conducted where required 	PBK CJN/PNE	Sep 21 Ongoing	
Home visits	Staff, Families, Pupils	<ul style="list-style-type: none"> - Home visits can go ahead but staff should remain cautious. and check the COVID status of the house prior to entering - Hand sanitiser provided for staff required to conduct home visits - 	<ul style="list-style-type: none"> - Establish/ update home visit procedure to include COVID19 controls. 	SJN	Sep 21	
Visitors & Contractors in schools		<ul style="list-style-type: none"> - Where necessary obtain confirmation those who will be on site are not showing signs of COVID19. - Provide handwashing or hand sanitiser facilities for visitors/ contractors. - Visitors should be encouraged to socially distance 	<ul style="list-style-type: none"> - Aspects relating to COVID to be included in the contractor rules for the school. - Contractors and visitors to establish in writing (via email) they are not showing symptoms of COVID19 or a declaration to be established for signing in. - Ensure that all wear face masks when transitioning around the building 	Site Site/JTS	Sep 21 Ongoing	
Physical restraints/ comforting, first aid	Staff, pupils	<ul style="list-style-type: none"> - Ensure team teach training has been achieved by teachers who are required to carry out physical restraining. - Ensure wash facilities are available after a close contact event. - No child or member of staff should be in school if they are symptomatic. 	-			

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
Waste	Staff, pupils	<ul style="list-style-type: none"> - Waste to be regularly removed from within the building and in the outdoor bins. 	<ul style="list-style-type: none"> - If someone is symptomatic and while isolating until collection any tissues or waste to be bagged up and stored for 72 hours prior to collection. 	Site/PNE	Ongoing	
Lateral Flow testing	Staff, pupils	<ul style="list-style-type: none"> - Staff and pupils in specialist SEND settings, AP and SEND units in mainstream schools or equivalent in FE colleges, for example those completing courses which are specifically for students with disabilities and / or learning disabilities such as Supported Learning courses and Foundation/SEND courses, are currently advised to continue regular twice weekly testing. Rapid asymptomatic testing in specialist settings - Waste from these tests can be disposed of in general waste bin. 	-			
Face Coverings	Staff, pupils, visitors	<ul style="list-style-type: none"> - Face coverings are no longer advised for pupils, students, staff and visitors in classrooms or communal areas; as noted earlier this is the personal choice of each pupil / adult in the building. - Staff and pupils should follow: Face coverings: when to wear one, exemptions and what makes a good one outside of school, including on transport to and from school or college. 	<ul style="list-style-type: none"> - Pupils and staff may bring a spare face covering to replace if the covering becomes damp during the day. - Pupils, staff and visitors may feel more comfortable wearing face coverings in all areas of the school and should be supported with this choice. - Outbreak management plan may reflect the use of face coverings if there is an outbreak and, in such instances, public health should be advising.
