

Welcome to Issue 4.

Hello Year 6!

I will be your Head of Year when you join us in September and I can't wait!

I will welcome you every morning into Mastery, supervise your breaks and lunches. I will also visit your lessons supporting you and your class teachers.

I know all the staff are looking forward to meeting you.

I will be your parents/carers main point of contact via email

**rclarkson@castlehall.com** or text/phone **07708 796626** from September.

I'm looking forward to meeting you all on the transition days - 1st and 2nd July 2025.

I can't wait to see all the amazing things you'll achieve.

Miss Clarkson, Head of Year 7

Hello Year 6!

I'm delighted to welcome you to our academy!

As Associate Assistant Headteacher linked to Year 7 I want you to know how excited we all are to have you join us.

Our academy is a place where everyone is encouraged to work hard, be kind and follow staff instructions—everybody, every day.

Remember, we're all here to support you.

Mrs Martin, Associate Assistant Headteacher

You will have your lessons taught in subject-specific classrooms, so you will move around the building several times each day. You will need to look after your things carefully. Make sure everything is labelled, with your name and year group.

There is a lost property box in the upper Dining Hall. You can check it before school from 7:50am to 8:15am. You can also speak to your Head of Year if you need to access during break/lunch.

# YEAR 7 INDUCTION WEEK

Induction week activities are designed to ensure moving to high school is as smooth and exciting as possible. You will be the only year group in the school on your first day.

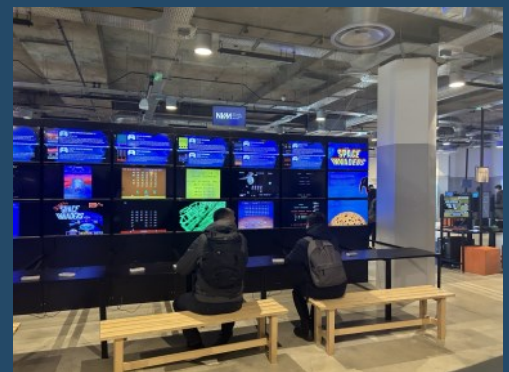

# EDUCATIONAL TRIPS & EXPERIENCES

Students experience educational visits and experiences, each academic year. Some of the places students have recently visited are:

Royal Armouries, Leeds—Yorkshire Wildlife Park, Doncaster—Yorkshire Sculpture Park, South Yorkshire—Blue Planet Aquarium, Cheshire - Magna, Sheffield.
